***RE: Petition for Approval of Calendar Year 2003 Residential Conservation  
Services Program Budget (D.T.E. 02-64)***

Dear Secretary Cottrell:

On behalf of the Cape Light Compact (the "Compact"), we have enclosed for filing with the Department of Telecommunications and Energy (the "Department") additional support for the Compact's Amended Petition for Approval of Calendar Year 2003 Residential Conservation Services ("RCS") Program Budget.

Enclosed with this letter please find the original and four (4) copies of the following Exhibits:

Exhibit 1: A description of the Compact's RCS Program.

Exhibit 2: A copy of the Coalition Action Plan ("CAP").<sup>1</sup>

Exhibit 3: A copy of the Compact's specific amendment to the CAP.

For the reasons set forth in Exhibit 1, the Compact believes that the Department should be able to complete its review of the RCS Program Budget expeditiously.

---

<sup>1</sup> Due to the fact that we do not have an electronic copy of the CAP, we are sending the CAP in paper format only, and not by e-mail.

Pursuant to your November 12, 2002 directive, we have also enclosed proof of publication in the Cape Cod Times and return of service to the Department.

Thank you for your attention to this matter. If you require further information or have any questions, please do not hesitate to call.

Sincerely,

Jeffrey M. Bernstein  
Elizabeth M. Heller
